

# Amelia & Amélie

## Go To Le Zoo

Written by Genevieve Yusuf & Illustrated by Suzanne Wilson

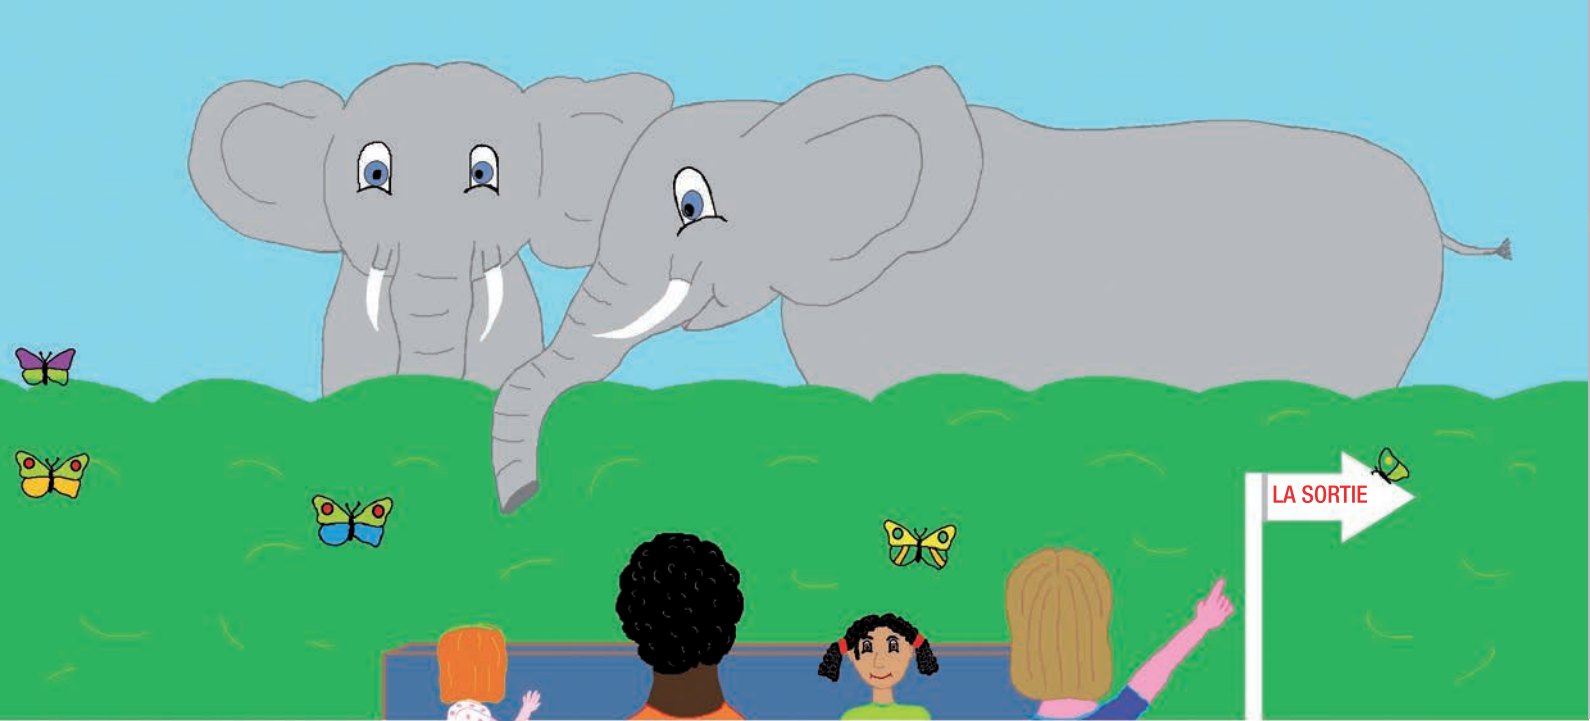

When they got to France, they drove to their **GÎTE**, their pretty little holiday home. It also had an amazing **PISCINE** to swim in. Amelia was very hot and couldn't wait to get into her swimming costume.

The next day Amelia put on her spotty pink dress, summer hat, flip flops and sun cream.

She ran round to Amélie's **GÎTE** and they all got into **LA VOITURE** and followed the sign to **LE ZOO**.

Amelia wasn't concentrating much. She could already see the elephants and she was getting impatient. **"Amelia. Are you listening? This is very IMPORTANT."**  
**"Yes, yes,"** replied Amelia. **"Come on Amélie. Let's go."**  
**"ON Y VA, let's go,"** replied Amélie, and off they went hand in hand.
