## Play Hide And Seek

Written by Genevieve Yusuf & Illustrated by Suzanne Wilson

Lucy put on her armbands and was just about to jump in the pool when she saw a small dark-haired girl splashing and struggling in the deep end. She looked scared and was shouting “**¡SOCORRO! ¡SOCORRO! HELP! HELP!**”

Lucy quickly ran and told the lifeguard who dove into the deep end and pulled the little girl out. After lots of coughing and spluttering the girl sat up and turned to Lucy. “**GRACIAS,**” she said “**You saved me.**”
